

# Application form for the Membership of Society of Geomagnetism and Earth, Planetary and Space Sciences (SGEPSS)

(\*) required

Date \_\_\_\_\_

<b>Category (*)</b> <small>[Please select.]</small>	<b>Regular (in Japan)</b>	<b>Student</b>	
	<b>Regular (outside Japan)</b>	<b>Supporting</b>	
<b>Name (*)</b>	SURNAME	Given name	Middle name
<b>E-mail (*)</b>			
<b>Year/Month of Birth (*)</b>			
<b>Sex (*)</b> <small>[Please select.]</small>	<b>Male</b>	<b>Female</b>	<b>Other</b> <b>Not preferred to answer</b>

<b>Contact point(*)</b> <small>[Please select.]</small>	<b>Affiliation</b>	<b>Home</b>
<b>Affiliation</b> <small>[*: if "Contact point"]</small>	Organization : Division : Position : Address :  TEL :	
<b>Home</b> <small>[*: if "Contact point"]</small>	Address :  TEL :	
<b>Degree</b> <small>[Regular]</small> <b>School Year</b> <small>[Student]</small>	Year <small>[Student: planned graduation year]:</small>	
<b>Endorsed regular member names (*)</b> <small>[Regular : x2] [Student : x1]</small>		
<b>Field of Interest</b> <small>(*: at least one) [Please select from next page]</small>		
<b>Payment method (*)</b> <small>[Please select.]</small>	<b>Credit-Card</b>	<b>Bank-transfer</b>
(filled by SGEPSS)	Year/Month:	ID:

Please send this form to the following:

**SGEPSS Desk c/o Proactive Inc.**

**Mail: [sgepss\\_AT\\_pac.ne.jp](mailto:sgepss_AT_pac.ne.jp)**

**FAX: +81-78-332-2506**

**Sannomiya Century Building 3F**

**83 yomachi, Chuo-ku, Kobe, 650-0034, Hyogo, Japan**

(Note) This procedure is also possible on the SGEPSS Members Site.

## **[Field of Interest : List]**

- |   |   |
|---|---|
| <b>1 Cosmic ray physics</b>                 | <b>15 Seismology</b>                        |
| <b>2 Radio / Infrared astronomy</b>         | <b>16 Oceanography</b>                      |
| <b>3 Space physics</b>                      | <b>17 Physical exploration</b>              |
| <b>4 Solar physics</b>                      | <b>18 Magnetic survey, magnetic anomaly</b> |
| <b>5 Earth and planetary magnetosphere</b>  | <b>19 Radio-frequency engineering</b>       |
| <b>6 Earth and planetary ionosphere</b>     | <b>20 Environmental science</b>             |
| <b>7 Earth and planetary atmosphere</b>     | <b>21 Biochemistry</b>                      |
| <b>8 Origin of solar system and planets</b> | <b>22 Cosmic engineering</b>                |
| <b>9 Earth and planetary dynamo theory</b>  | <b>23 Space plasma</b>                      |
| <b>10 Rock magnetism and paleomagnetism</b> | <b>24 Earth and planetary exploration</b>   |
| <b>11 Earth and planetary interior</b>      | <b>25 Geodesy</b>                           |
| <b>12 Solid Earth geomagnetism</b>          | <b>26 Earth and planetary geology</b>       |
| <b>13 Chronology</b>                        | <b>27 Earth and planetary development</b>   |
| <b>14 Volcanology</b>                       | <b>engineering</b>                          |
